

Size 2 Block Range

Size 2 Blocks are ideal for use on large dinghies and dayboats. Featuring both plain bearing and ball bearing options, they are very light yet very strong.

Choose from a range of single sheave, double sheave or triple sheave blocks, each available with fixed eye, douk tang, snap shackle or swivel shackle attachments and w becket options to enable to tie off rope used for multi purchase systems. Fiddle & triple blocks come with a ca cleat option, they are used with double or triple blocks multi purchase downhauls and kicking straps.

Cheek blocks, upright blocks and stand up blocks are designed to be screwed into the deck, mast or boom to direct control lines from a fixed position. . The back to back block gives lead options within the boom or underdeck.
