

## Barton Flush Mount Deck Plate With Fixing Eye

**NEW - 2022**

Introducing the Barton flush mount deck plate with fixing eye. Turned from solid bar 316 stainless steel with a highly polished finish, the deck plates are offered in three standard thread sizes – M8, M10 and M12, each supplied with a stainless steel blanking plug when not in use.

Designed to be mounted flush with the deck using three fixing bolts, the sealed internal thread prevents water ingress, the design prevents trip hazards onboard when not in use. The range allows for a multitude of uses, to include:

Temporary fixing eyes, boat tie downs, deck mounted boarding ladders, stand up blocks, davit mounts, life raft holders, dive tanks.

All our deck plates feature a Universal metric thread.

Diameter	= 50mm (1.97")
Depth	= 22mm (0.87")
SWL	= 2,000kg (4,100lbs), 2,250kg (4950lbs), 2,500kg (5,500lbs)
