

Barton SkyDock

NEW - 2022

Introducing the Barton SkyDock

The ideal garage storage solution for dinghies, paddle boards, kayaks, roof box, camping equipment, in fact anything that needs lifting off the ground to save on storage space.

The clever configuration of ropes and blocks means one person can raise and lower loads up to 80kg (176lbs) single handed and then lock off with Barton's unique SkyLock block when finished.

Comprehensive hassle free fitting instructions are included along with the rope, woven bands, fixtures and fittings required to transform unused areas in your garage, loft, barn or shed into valuable storage space.

Maximum lifting load up to 80kg (175lbs)
Ceiling height up to 4m (13ft)

Part # 41200 – 3:1 purchase system
Part # 41201 – 4:1 purchase system

Box size: 11 ¾" x 11 ¾" x 3 1/8" weight 3lbs 8 1/2oz
