

Topper 6:1 Downhaul Assembly #98080

The Barton Topper Downhaul comes with a 6:1 purchase for those who find the standard system a struggle and for those wanting that extra grunt in a breeze. It is simple to fit and easy to use on both tacks thanks to the unique swivelling triple block fitted, ideal for club racing and training.

#98080 Comprises:

N00932 Size 0 triple swivel block with 90 degree cleat base plate, Kevlar cleat and pillar fairlead.
5mm(13/64") carbine hook fitted.

N00310 Size 0 triple fixed eye block with 5m (13/64") carbine hook fitted.

Primary line 3m (9ft 8") x 4mm (5/32") 8 plait polylock

Prototype testing by
Topper squad sailor
Issy Glazebrook
